OCCUPATIONAL HEALTH AND SAFETY POLICY

- ❖ HATFİL TEKSİL İŞLETMELERİ A.Ş aims to implement and develop the Occupational Health and Safety Management System with a preventive approach in all its activities in line with its mission, vision and values, and to create healthy and safe working conditions.
- ❖ To comply with the Occupational Health and Safety Law on Occupational Health and Safety, ISO 45001:2018 OHS Management system standard, Labor law, regulation, relevant legislation and other conditions
- ❖ Evaluating the risks that may cause accidents by eliminating the hazards at the source with the participation of all our employees, eliminating the existing risks and thus preventing the formation of work accidents and occupational diseases by preventing the formation of dangerous environments.
- ❖ To act with the principle of "The health of our employees means the health of our company"
- ❖ To train our employees and other interested parties on Occupational Safety and Health for continuous improvement
- ❖ To try to maximize the participation of the employees by taking the opinions and suggestions of the employees on occupational health and safety issues, and to share all kinds of information on health and safety issues with the employees.
